SNAG

VERTICAL PENDANT

Snag is a fun linear fitting in two standard sizes that can take many forms.

Infused with a retro aesthetic from the 1980's, Snag takes humorous inspiration from our casual Australian way of life.

The decorative ends of Snag are spun in aluminium and available in a choice of four bright gloss metallic finishes – copper, brass, stainless steel and black chrome. The high quality tubular diffuser ensures an even distribution of light in all directions from the LED lamp source inside.
